Don,	
informati	varding this email to you since Gurbux is out of the office. Gurbux requested the ion below with respect to the draft resolution on station power. I'd be happy to discuss in power issue with you further if you have questions.
Regards,

Gurbux,

Here is a table that shows PG&E contracting for the Moss Landing units (we bought some of this quantity from SCE). The table shows active contracts only and I understand we are also in negotiations with Dynegy as part our intermediate term RFO for the 2016-2018 period.

Erik

	Contract Quantity (MW)		
Unit	Jun-14	Jul- Aug- Sep-	
		14 14 14	
Moss Landing		120 120 120
