Subject: PGE35613_ACM Rpt_Boiler Refractories_Kern Power Plant - Final.pdf

Erik,

I would like to apologize for not returning your voice and emails during the past month as I had an unexpected absence from work during that time.

Could you resend the subject asbestos report ? Also, what's the current progress on cleaning-up and demolishing the boilers....what's the work plan for containing asbestos?

Thanks,

Ron Lok
