Subject: RE: ERRA Application

I assume you are in the office today. Staying all or most of the day?

A 14-02-008. It was our ERRA compliance application. I understand that we just filed our ERRA forecast application last week. Thus we won't get an application number until Friday after the business meeting.

Still waiting for the Balancing account info to forward you.

**Subject:** ERRA Application

Could you let me know the application number of your last ERRA application?

Mike
