Subject: PG&E's presentation for Tomorrow's Workshop

Hi Ben,

We haven't met yet, but my name is Kate and I work for Meredith Allen in PG&E's Regulatory Relations Department.

Attached is a PDF of the presentation that Ken Wells will be giving in tomorrow's substation security workshop from 10:10 to 10:30. I will also bring a copy of the presentation on a flash drive.

Feel free to give me a call if you have any questions or concerns.

Best
