Good afternoon everyone,

I am so, so sorry. This was sent to all of you in error.

Please accept my apologies.

I did not intend to “reply to all” and I erroneously selected a group.

Thank you for understanding.

However, if you ever need to order business cards, please feel free to submit your order and we will get them

processed.

I just tried again using a different internet browser, but still didn't get any confirmation that my request went through. Am I not supposed to leave fields blank?

Thanks you!

I filled out the information and clicked SUBMIT ORDER but nothing happened. Is something supposed to happen like a confirmation?

Sincerely,
