Subject: 6-26-14 CPUC agenda item 18 and 24

Hi Anna Lisa,

Q: since the Commission adopted Agenda Item 18 PD (D.14-06-037 noted on the Result), and it closes the proceeding, shouldn't the Order Extending Statutory Deadline (D.14-06-041, noted on the Result) be withdrawn and not carried out?

2012 Rate Design Window

2012 Rate Design Window (D.14-06-037) – The Commission approves PG&E's 2012 rate design proposals: revised minimum bill proposed methodology; changes to residential SmartRate and non-residential Peak Day Pricing (PDP) program. The decision orders PG&E to implement approved changes to PG&E's residential SmartRate and non-residential PDP program no later than May, 2015. The decision closes the proceeding. (A.12-02-020) [Agenda Item 18]

Order Extending Statutory Deadline (D.14-06-041) – The PD extends the statutory deadline in this proceeding to September 1, 2014. (A.12-02-020) [Agenda Item 24]

Thanks.
