**MOTION OF PACIFIC GAS AND ELECTRIC COMPANY (U 39 E)
FOR LEAVE TO FILE CONFIDENTIAL MATERIAL IN ITS
MOTION TO AMEND ITS CONFIDENTIAL JUNE 4, 2014 DRAFT RENEWABLE
ENERGY PROCUREMENT PLAN UNDER SEAL CONSISTENT WITH THE
CONFIDENTIALITY PROTECTIONS OF DECISIONS 06-06-066 AND 08-04-023**

Pursuant to Rule 11.4 of this Commission’s Rules of Practice and Procedure and Decisions (“D.”) 06-06-066 and 08-04-023 governing confidentiality procedures, Pacific Gas and Electric Company (“PG&E”) files this motion for leave to file confidential electric procurement information and data under seal (the “Motion”). The material PG&E seeks to protect is included in the confidential, unredacted version of PG&E’s Motion to (1) Amend the Confidential Version of Pacific Gas and Electric Company’s (U 39 E) June 4, 2014 Draft Renewable Energy Procurement Plan and (2) Waive Extension of Time for Comments under Rule 1.12 (the “Motion to Amend”) that is being filed concurrently with this Motion.

In D.06-06-066 and D.08-04-023, the Commission adopted rules and procedures governing the submission of confidential electric procurement information to the Commission. In a Matrix, attached to D.06-06-066 as Appendix 1 (the “IOU Matrix”), the Commission established specific rules for Investor-owned Utilities (“IOUs”) governing the confidentiality of certain categories of data and information. D.08-04-023 requires that material formally filed with the Commission for which an IOU seeks confidential treatment must be accompanied by a

Motion. In its Motion the IOU must establish:

- 1) that the material it is submitting constitutes a particular type of data listed in the Matrix;
- 2) the category or categories in the Matrix to which the data correspond;
- 3) that the IOU is complying with the limitations on confidentiality specified in the Matrix for that type of data;
- 4) that the information is not already public; and
- 5) that the data cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure.^{1/}

Attached hereto and incorporated herein by this reference is a matrix identifying the material for which PG&E is seeking confidential treatment. The matrix specifies that the material PG&E is seeking to protect constitutes the particular type of material listed in the IOU Matrix, or is otherwise protected pursuant to General Order 66-C. The matrix also specifies the category or categories in the IOU Matrix to which the data and information corresponds, and why confidential protection is justified. Finally, the matrix specifies whether: (1) PG&E is complying with the limitations specified in the IOU Matrix for data or information covered by the IOU Matrix; (2) the information is not already public; and (3) the data cannot be aggregated, redacted, summarized or otherwise protected in a way that allows partial disclosure.

^{1/} D.06-06-066, p. 80, Ordering Paragraph No. 2.

For all the reasons described above and in the attached matrix, PG&E requests that the Commission grant PG&E's motion to file the confidential, unredacted version of its Motion to Amend under seal. As required by Rule 11.4(a), a proposed order granting this Motion is attached behind the matrix.

Respectfully submitted,
