I, John Armato, declare:

1. I am a Manager in the Core Gas Supply organization at Pacific Gas and Electric Company (PG&E). I am responsible for regulatory matters and contract management pertaining to PG&E's core gas portfolio. This declaration is based on my personal knowledge of PG&E's core gas portfolio and my understanding of the Commission's decisions protecting the confidentiality of market-sensitive information concerning fuels management of an investor-owned utility.

2. Based on my knowledge and experience, and in accordance with Decision (D.) 08-04-023 and the August 22, 2006 "Administrative Law Judge's Ruling Clarifying Interim Procedures For Complying With Decision 06-06-066," I make this declaration seeking confidential treatment for certain information contained in PG&E's letter to the Director of Energy Division "Request for Pre-Approval of Interstate Pipeline Capacity Contract."

3. Attached to this declaration is a matrix identifying the data and information for which PG&E is seeking confidential treatment. The matrix specifies that the material PG&E is seeking to protect constitutes the particular type of data and information listed in Appendix 1 (the "IOU Matrix") of Decision 06-06-066 or constitutes information that should be protected under General Order 66-C. The matrix also specifies the category or categories in the IOU Matrix to which the data and information corresponds, and why confidential protection is justified. Finally, the matrix specifies that: (1) PG&E is complying with the limitations specified in the IOU Matrix for that type of data or information; (2) the information is not already public; and (3) the data cannot be aggregated, redacted, summarized or otherwise protected in a way that

allows partial disclosure. By this reference, I am incorporating into this declaration all of the explanatory text that is pertinent in the attached matrix.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct. Executed on June 20, 2014 at San Francisco, California.
