Subject: RE: Follow-up on Spaulding tram corrective actions

Jim,

This sounds great. The following four people will attend for PG&E:

Debbie Powell, Director, Power Generation

Redacted Safety Engineering

Redacted Compliance & Audit

Erik Jacobson, Director, Regulatory Relations

We will not have any attorneys present and we look forward to a good discussion on safety issues related to the Spaulding tram.

Thanks,

Erik

Hi Erik,

We will have a meeting room available at 455 Golden Gate on the 7th floor.

Once you and your team have cleared security you should call Rick Tse from the lobby at (415) 355-5581 Office or Redacted

One other Engineer Jun Chen will be joining us to observe.

No attorneys will be present and I am looking forward to a frank and candid discussion.

Thanks,

Jim Cheng
