Subject: Request for Pre-Approval of Interstate Pipeline Capacity Contract

Ed,

Attached is PG&E's request for expedited interstate pipeline capacity approval that we have been discussing with Energy Division, ORA and TURN. We sent this request earlier today but got multiple bounce backs due to the large size of the consolidated pdf file, which is why I am resending now with 3 separate attachments. Sorry for any duplication or confusion.

Please let me know if you have any questions or would like to discuss.

Best regards,

Erik
