Subject: RE: GHG Natural Gas OIR (R.14-03-003): For your review and comment on a
proposed agenda for Monday 6/9 conference call with interested parties

Good morning all,

For our 9:45 am conference call this morning, attached are:

- 1) A list confirms who will be calling into Monday's conference call;
- 2) A proposed agenda for Monday 6/9 as suggested by Southwest Gas. This version only shows the topic area instead of listing the OIR questions in the agenda. Thank you Catherine.

We will go over the agenda, discuss any outstanding issues and decide on the spokesperson(s) in each section of the agenda. Hopefully, it should be very short meeting.

Subject: GHG Natural Gas OIR (R.14-03-003): For your review and comment on a proposed agenda for Monday 6/9 conference call with interested parties

Good morning everyone,

For your review and comment, attached is the proposed agenda for next Monday's conference call with interested parties in the GHG Natural Gas OIR proceeding.

To prepare for the Monday 6/9 conference call with interested parties in the proceeding, I would like to schedule a short conference call (15') at 9:45 am tomorrow, Friday 6/6 to discuss the proposed agenda, decide on the spokesperson(s) in each section of the agenda, and any other issues. A meeting notice with call-in number will be sent to you right after this e-mail.

After our conference call tomorrow, I will send the agenda, the call-in number and the purchasing rules matrix to the RSVP parties in the proceeding.

Thank you,
