Subject: R.14-02-001: Notice of JRP Track One Staff Report Delay

To All Parties in R.14-02-001(The Joint Reliability Plan):

The Joint Reliability Plan Scoping Memo included an expected release date of July 1<sup>st</sup> for the Track One Staff Report & Proposal.

Given unexpected staffing changes in the Energy Division, the release of the report will be delayed until a date in the near future. I will be out of the office until July 16<sup>th</sup> and will send another update on the expected timing of the report's release upon my return.

Thank you,

*Meredith Leigh Younghein*
