Subject: FW: Confirming 7/30 Field Visit

Hi there,

I just spoke with Lisa Hurley about Paul's site visit with Commr Picker on July 30th and asking why Paul was going twice.

It's bc Brian Turner isn't available on the 30th.....

Lisa will be calling you to "cancel the 5th but after you two speak, let me know if Brian Turner is essential to this visit, since he won't return until after July 30th.

If he's not, we can cancel the 5th.

I think Denise is available though.

Thanks and again, apologies for all the rescheduling.

But Paul doesn't need to go twice.

'Course if it's a different place, then that's fine!

Thank you!

Hello Ladies,

Thanks so very much for helping me find a date that works for both Commissioner Picker and Mr. Clanon. This email confirms the date of Wednesday, July 30th for a day in the field. The start time would be 9:30 to allow travel time to Sacramento. I will forward more details as they become available. In the meantime, please do not hesitate to call me or email me with any questions.

Thanks again, Lisa
