Subject: Lunch or coffee?

Allison

I understand you aren't able to go to NARUC next week – sorry.

Could we get lunch sometime later in July? We haven't had a chance to talk much previously.

I'm the regulatory coordinator for Gas Operations at PG&E, and I'd like to get up to speed on your interests and how we might make sure you are getting what you need from us.

Let me know if you're willing to meet and I can work with your office on scheduling.

Thanks

Laura
