Yeah, you need one of the cloth/rubber ones. Three bucks, totally worth it.

I tried to use a metal tape measure. It wasn't very good.

I bought a new tape measure when I started this. My old one was stretched and wrong. Works great.

Nice. Congrats!

I bought some shirts online this week. I have to send them back. Too big. I don't know what size to get anymore, and my choices are more limited than before.

I'm staying at. 145#, but I keep getting leaner.
