Hi Meredith, it will be great to schedule an update. I am out of the office that week, anytime after August 14 works.

Hi Stephanie,

We would like to schedule the follow up meeting that we discussed to provide an update on PG&E's draft emergency outreach plan, including a discussion of the components that we are incorporating from FPL's plan and to provide an update on our outreach with the communities. Would you please let me know whether August 5 at 1:00 or August 7 at 11:00 would work? If not, I will send other potential dates.

Have a great weekend!

Thanks,  
Meredith
