Yup. That was our big summer getaway, too. Totally stinks. I'm pretty demoralized about it, too. It will put a big dent in our tandeming for a while – and we'll feel a lot more sketch.

Let's aim for your hood. Sunnier on your side most days this time of year, and certainly nicer than here. Perhaps we could visit my outdoor "office" on the water.

Oh no. Poor AO! That is NOT executing on avoiding the owies. I hope she's not in too much pain now. Let's plan on the 11th. My hood would be great and we'll hope for sunshine.

Let's try the 11 th. Your hood?

Oh, and Downieville was a bust. Fell awkwardly (going slow) in first mile, and AO took a big hit. Left thumb either badly sprained or broken, and possibly cracked her pelvis. X-rays are borderline. So we drove 8.5 hours for a 15 minute ride. And still had to pack and unpack. Poor

AO was stuck on ice all weekend. At least she could watch World Cup.
