Now all you gotta do is expand it.

**From:** Campbell, Michael [mailto:Michael.Campbell@cpuc.ca.gov]

**Subject:** just used the bike room

It isn't bad. If it was a key-card swipe and not a keypad (or maybe requiring both!) I'd feel better. If it had all that and a security camera, too, I might even bring in a nice bike.

I brought in my converted single-speed (not a fixie!). I hadn't ridden steel in a while. It is nice! Very different from plastic.

MC
