Subject: Reminder - CPUC Hosts Thought Leaders Event on Net Neutrality Featuring Netflix: CPUC Information Alert

**CPUC Information Alert: Reminder - CPUC Hosts Thought Leaders Event on Net Neutrality Featuring Netflix**

The California Public Utilities Commission's (CPUC) upcoming "Thought Leaders Speaker Series" will feature a discussion on net neutrality with Netflix Vice President of Global Public Policy, Christopher Libertelli. Net neutrality is the concept that Internet service providers should treat all data on the Internet equally and not discriminate based on the content being accessed by the user.

This informative discussion is free and open to the public.

**WHEN:** Aug. 7, 2014, 10 a.m.-Noon

**WHERE:** CPUC Auditorium, 505 Van Ness Ave., San Francisco; also available in real-time and archived via video webcast at [www.californiaadmin.com/cpuc.shtml](http://www.californiaadmin.com/cpuc.shtml)

**WHO:** Netflix Vice President of Global Public Policy, Christopher Libertelli will discuss why Netflix supports net neutrality, and the possible impacts of a non-neutral Internet on current and future users, consumers, and businesses.

Although a quorum of Commissioners may be in attendance, including Commissioner Catherine J.K. Sandoval, who will join the discussion on whether state utility commissions have a role to play, no CPUC action will be taken at this event.

To register for this event (not required, but appreciated) and for more information on Thought Leaders, including archived video webcasts of prior speakers, please visit [www.cpuc.ca.gov/thoughtleaders](http://www.cpuc.ca.gov/thoughtleaders).
