Subject: R.12-11-005 (CSI/DG): CSE Advice Letter 50

Attention R.12-11-005 Service List:

On behalf of the Center for Sustainable Energy (CSE), attached please find CSE Advice Letter 50, an advice filing to propose amendments to the California Solar Initiative (CSI) Program Handbook to better align CSI Program Eligibility Requirements with the NEMA tariffs and to make other necessary updates to the Handbook.

Due to the size of Attachment A, the Redline CSI Program Handbook illustrating proposed revisions, rather than providing a hard copy of the document, we instead provide notice that Attachment A may be viewed at: <http://energycenter.org/sites/default/files/docs/nav/policy/proposed/NEMA%202014->

05%20CSI\_Handbook%20track%20changes.pdf.

Email service has been split into 17 groups of 35 or fewer recipients to prevent rejection by email spam filters.

Hard copies have been sent via overnight delivery service to the Energy Division Tariff Unit, and mailed via First Class Mail to Energy Division Director Edward Randolph, ALJ Katherine MacDonald, ALJ Jessica T. Hecht, ALJ Regina DeAngelis, and those members of the Service List without e-mail addresses or undeliverable e-mail addresses.

If you have any problems with the transmission of this document, please feel free to contact me.

Regards,

Sephra

Please note that CSE does not maintain the official service list for R.12-11-005. If you would no longer like to receive documents regarding this proceeding, please contact the CPUC Process Office directly via email at [Process\\_Office@cpuc.ca.gov](mailto:Process_Office@cpuc.ca.gov) or by phone at 415-703-2021 to remove yourself from the official service list.
