Re: Implementation of the Catastrophic Event Memorandum Account for July 2014 Butts Fire

Dear Mr. Clanon:

In accordance with Commission Resolution E-0238, July 24, 1991, and the associated currently effective tariff (Electric Preliminary State Section G), PG&E hereby provides notice that PG&E's recording of electric Catastrophic Event Memorandum Account (CEMA) the costs associated with repair of facilities and restoration of service following the "Butts Fire" that began on July 1, 2014.

PG&E is submitting this letter to preserve the option of filing an application for cost recovery under CEMA provisions at a later date. Details about the disaster, the effects on PG&E's facilities, and the estimated restoration costs are provided below:

1. Disaster

On July 2, 2014, the Federal Emergency Management Agency (FEMA) issued a Fire Management Assistance Declaration for California Butts (FEMA 5057) under the Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. sections 5121-5206, proclaiming a state of emergency in Napa County. The wildfire damaged private residences and outbuildings in the area and required evacuations.

2. Effects on PG&E's Facilities

To date, the wildfire has damaged 8 distribution lines throughout Napa County. The wildfire is estimated to have disrupted service to 241 customers.

3. Estimated Restoration Costs

PG&E estimates it has incurred approximately \$103,263 of incremental costs due to the wildfire, of which \$103,936 is estimated to be capital and \$26,327 is estimated to be operating.
