**Re: Substitute Sheet for SDG&E Advice Letter 2632-E**

Please find enclosed the original and two copies of SDG&E's substitute sheet for Advice Letter 2632-E, *"Revisions to San Diego Gas & Electric Company's Electric Transmission Rates Effective August 1, 2014"*. SDG&E inadvertently submitted the incorrect version of Attachment A. The enclosed attachment replaces Attachment A as filed.

An asterisk has been reflected in the upper right hand corner of each sheet to indicate that this is a substitute sheet. Please replace the enclosed sheet in the master Advice Letter 2632-E.

The attached substitute sheet is being served on all parties that received SDG&E Advice Letter 2632-E.

Sincerely,

A handwritten signature in cursive script that reads "Aurora Carrillo".
