**GEXA ENERGY CALIFORNIA, LLC's  
2013 Preliminary  
Annual 33% RPS Compliance Report**

Pursuant to Public Utilities Code Section 399.13(a)(3), Gexa Energy California, LLC (“Gexa California”) provides the following narrative information with its 2013 Preliminary Annual 33% RPS Compliance Report:

1. The status of any necessary siting and permitting approvals from federal, state, and local agencies for those eligible renewable energy resources procured by the retail seller that have not yet attained their commercial on-line dates.

Response: Not applicable. Gexa has not procured RECs from any resources that are not currently on-line

2. Identification of all procurement from eligible renewable energy resources located outside California and within the WECC during the period covered by the report. Retail sellers should submit a list of facilities in a matrix format including: facility name, location (City and State), and the amount of renewable energy credits (RECs) procured during the year covered by the report (i.e. 2013 for this report). If a retail seller did not procure any RECs from out of state facilities, please include a brief summary on whether the retail seller intends to procure RECs from facilities located out of state in the future, and if so where these facilities may be located.

Response:

Facility Name	Location	2013 REC Procurement
Vansycle II Wind Energy Center	Athena, OR	64,179

3. Identification of all procurement of unbundled RECs during the period covered by the report. Retail sellers should submit a list of facilities in a matrix format including: facility name, location (City and State), and the amount of unbundled RECs procured during the year covered by the report (i.e. 2013 for this report). If a retail seller did not procure any unbundled RECs, please include a brief summary on whether the retail seller intends to procure unbundled RECs in the near future, and if so where these RECs originate.

Response:

Facility Name	Location (City and State)	2013 REC Procurement
Vansycle II Wind Energy Center	Athena, OR	11,268
Dry Creek Project	Howe, ID	998

Marsh Valley Project	McCammon, ID	1,569
Birch Creek Power	Monteview, ID	2,272

4. Recommendations to remove impediments to making progress toward achieving the renewable energy resources procurement requirements established by statute and implemented by Commission decision.

Response: None
