Ron,	
asbestos i of the boi their RCA are close	asic investigation and root cause analysis has been on hold pending resolution of the ssue and development of the asbestos abatement workplan. Once we start demolition lers, we will begin collecting the additional evidence needed for Exponent to conduct work. We do not have a contract with Exponent for the RCA work. Now that we to restarting demolition, we will turn our attention to developing and executing that tract. I will send it to you when it is finalized.
Thanks,	
Erik

Erik,
What's the status of the root cause analysis and evidence gathering, and as previously requested, please provide a copy of the contract agreement between PG&E and Exponent for the RCA work.
Thanks,
Ron Lok
