Thanks John. This is great. Thanks too for the quick turnaround.

Two follow-up questions:

1. Do the Present Rates and 2014 GRC PD rates include the PSEP costs from D.12-12-030?
2. Can PG&E also provide us with the proposed rates (Jan 2015) if the Commission approves PG&E's request in the Gas Transmission & Storage proceeding (A.13-12-012) with the knowledge that the PSEP costs from D.12-12-030 will stop at the end of 2014?

Eugene, feel free to expand/clarify/correct anything in my follow-up questions.
