Subject: PG&E comments to 2014 PD

Hey John,

Got a question for your people. In PG&E's opening comments to the Pulsifer PD in the 2014 GRC proceeding, there's a reference to a math error in the PD workpapers. Page 9, Section D refers to a math error in the calculated adopted amount for Aldyl-A.

For the life of me, I can't find the \$221.5M calculation. I found the reference in the PD, but maybe I'm just looking at the wrong spreadsheet in the workpapers. Can your people steer me in the right direction?

Thanks. -Belinda
