Subject: SED Fact Finding of Gas Distribution Control Center - Requested Information

Steve,

Per your request from your fact finding meeting today on PG&E's Gas Distribution Control Center, attached are two files providing the monthly breakdown of control room staff hiring for 2014 and a monthly breakdown of expenses for MWC FG for 2014. Both files show data YTD and projected through the end of 2014.

Note for the expenses shown for MWC FG in the 2nd attachment, PG&E shows the GDCC personnel expenses in Rows 5-8 (discussed in the GRC PD), and other miscellaneous expenses in Rows 12-13 (not explicitly discussed in the GRC PD and not disputed).

Please let me or Minci know if you need anything further.

Regards,
