Same date. Same time if available.

8/27 is too late. See if he can do earlier. Check with Carol Meredith.

Brian -

You asked me to set up a meeting with President Peevey re Oakley. PG&E attendees are Fong and Tom. Outside attendees are Steve Berberich of the ISO and Ren Oran of E3.

Fong said that Steve Berberich of the ISO also requires a meeting with Commissioner Picker, so we should schedule the 2 meetings on the same date. Please clarify if Tom, Fong and Ren Oran of E3 should also attend the meeting with Commissioner Picker.

FYI, Peevey is back on 8/13 but has a workshop that day. Good dates for him are 8/27, 9/10 (best for him), 10/1 and 10/15. I will work with Penny, Bonnie, ISO and E3 to come up with a good date.

Meredith -

I've started the process. If I don't finalize it before I leave, may I give it to Sally for handling?

Thank you.

Sally can help with scheduling this meeting. When you are out, Sally will be on point for interactions with the Commission on meetings.

Thanks,  
Meredith

Steve Berberich of the ISO and Ren Oran of E3 are required attendees along with Fong and Tom. I spoke with Carol Brown and she agrees it would be a good idea as soon as Peevey gets back.
