Subject: RE: SED Inspection

Hi Stephanie,

I submitted all of the surveys to my supervisor and a team was assembled to compile them.

I do not know what has become of it. I do know that they are being treated with the utmost confidentiality.

I have included my supervisor in this response. Hopefully he can shed some light on this.

Thanks,  
Jim Cheng

James, a couple of months ago, you visited three of our distribution sites and did a review of security measures. Are there any formal reports or recommendations from that inspection that we should be aware of? Thanks
