Subject: RE: PG&E gift rule issue -- Energy Efficiency Nat'l Perspective event at Delancy Street Foundation

Dave –

Sorry to bother you about this, but have you had a chance to send in the check for the 16Apr event? Also, did you eat the lunch at the 26Jun settlement meeting?

Have a good day!

yours,

sid

Hi,

I had the lunch, I'll send a check to the address below.

Thanks,

Dave

CPUC colleagues –

I'm writing you because you attended the April 16 PG&E event at the Delancy Street Foundation, we served food, and this food, if you ate it, constitutes a gift.

From what I understand, the CPUC's policies require you to reimburse this gift. And if you reimburse PG&E, our midyear lobbying report will show that it has been reimbursed, which I think would be best. So, please do two things by the end of June, sooner if you can:

1) Reply to this email, and tell me whether or not you ate anything, and if you did, which of these categories you would call it:

Breakfast -- $10.27

Coffee/Tea – $3.85

Lunch – $21.82

Reception -- $16.99

2) Reimburse PG&E. You can send a check, payable to PG&E, to

Redacted

You could also hand deliver the check to me. And, if it's easier for you, you could pay me cash, and I could pay PG&E. Please let me know in your email reply which works best for you.

In the future, PG&E will design the event so this gift issue is clearer, and so that you can pay right there at the event.

If you have any questions, please call me at 415 973-5921.

Thank you!

yours,

sid
