Subject: RE: rates conversation today

Hi Ed and Paul,

Sounds good. Does early next week work for you? Let my Assistant, Linda, know when works for you and she'll set it up. We can come over there if that works for you, or do a call.

Thanks. We should meet ASAP to walk through the numbers.

I am adding Paul Phillips to this chain so he can be part of the conversation

Hi Ed,

Thanks for joining the call this afternoon. We were thinking it might be helpful to walk you through our numbers and assumptions, either before or after you

circle back with Legal Division. It might help frame up how Legal looks at it, or you might be able to give us some feedback about our assumptions that would help us look at this differently. Let me know if you're interested – David and I can take you through it pretty quickly next week if you're around.

Thanks,

Trina
