Subject: PG&E Implementation of the Catastrophic Event Memorandum Account for July
2014 Butts Fire

Sent on behalf of Meredith Allen, Sr. Director-Regulatory Relations

Attached, in accordance with Commission Resolution E-3238, dated July 24, 1991, and the associated currently effective tariff sheets (Electric Preliminary Statement Section G), PG&E hereby provides notice that PG&E is recording in the electric Catastrophic Event Memorandum Account (CEMA) the costs associated with repair of facilities and restoration of service following the "Butts Fire" that began on July 1, 2014.

Thank you.
