Typo – they were Tier 2 ALs. Thanks.

Hi All,

When you have a moment, could you send me a copy of the advice letters that your companies filed in response to D.12-04-046 ordering paragraph 8.h? These advice letters are the ones that you filed to establish Commission-approved exchanges for use when buying GHG compliance instruments. I'm having trouble tracking down the AL numbers.

Many thanks,

Jason Houck
