July 24th 1:30 pm – 4:00 pm

Call in info: phone number: 866-811-4174, participant passcode: 4390072#

1:30 pm – 1:45 pm – Introductions and announcements.

- Today's Objective: to demonstrate new features of the RA templates for 2015 compliance year and to demonstrate the templates and guides overall for LSEs
- Topics for today
 - New features for 2015 RA compliance year
 - General demonstration of RA templates
 - Overview of System RA templates
 - Overview of Local RA template
 - Questions and Answers – next steps

1:45 pm – 2:15 pm – New features for 2015 RA compliance year

- Flexible capacity obligations by category have been added to the LSE allocations. The categories limit the amount of use limited resources that an LSE can use to meet its flexible RA requirements.
- Addition of a drop down list for reporting the flexible capacity category of the resource.
- Addition of flexible capacity summary tables
- Addition of a drop down list for reporting system capacity by MCC bucket
- Consolidation of existing summary tables for MCC buckets and Path 26
- New CAM and CHP accounting system

2:15 pm – 3:15 pm – General Demonstration of RA templates focused on what is new for 2015

- System Template
 - Practice entering load and resource information
 - Demonstration of automation
 - Practice entering resource for both System and Flexible compliance
 - Practice verifying compliance
- Local and Flexible Template
 - Explanation of Local RA obligation and how it is computed
 - Explanation of Flexible RA obligation and how it is computed
 - Demonstration of automation
 - Practice entering resource into template for both Local and Flexible compliance
 - Practice verifying compliance
 - Go through advisory monthly flexible tables

3:15 pm – 4:00 pm – Review Questions and wrap-up

- Questions and Comments
- Overview of compliance schedule
- Revisions, questions, finalizing of templates for 2015 compliance year

Thank you for your participation
