NOTICE OF EX PARTE COMMUNICATION

Pursuant to Commission Rule 8.4, the Coalition of California Utility Employees (“CUE”) gives notice of the following ex parte communications.

On July 30, 2014, Marc Joseph and Jamie Mauldin, counsel for CUE, met with the following:

- Julie Fitch, Chief of Staff to Commissioner Peterman, and Melicia Charles, Advisor to Commissioner Peterman, from 1:00 pm to 1:25 pm;
- Sepidah Khosrowjah, Chief of Staff to Commissioner Florio, and Marcelo Poirer, Advisor to Commissioner Florio, from 2:25 pm to 2:55 pm; and
- Nick Chaset, Advisor to Commissioner Picker, from 4:35 pm to 5:07 pm.

On July 31, 2014, Marc Joseph and Jamie Mauldin, counsel for CUE, met with the following:

- Carol Brown, President Peevey’s Chief of Staff, from 2:10 pm to 2:40 pm;
- and

- Allison Brown, Advisor to Commissioner Sandoval, from 2:58 pm to 3:25 pm.

All of the meetings were at the Commission offices in San Francisco and initiated by Mr. Joseph and Ms. Mauldin.

During each of the meetings, Mr. Joseph described how CUE's proposals would enhance the Proposed Decision's focus on safety and reliability. Mr. Joseph and Ms. Mauldin provided a two-page handout (attached) and Mr. Joseph described the itemized document and discussed how each of the items would significantly contribute to the safety and reliability of PG&E's system. Mr. Joseph also discussed the total amount of dollars CUE's recommendations would add to the amount authorized in the Proposed Decision. Mr. Joseph concluded the meetings by discussing the imprecise nature of the Total Compensation Study and how the Proposed Decision's adoption of a 5% market variance will set bad precedent for future General Rate Cases.

Respectfully submitted,
