Subject: Video of Jerry Brown on Peevey

Hi,

This article in this weekend's San Jose Mercury news features Gov. Brown talking about how great Pres. Peevey is, but you have to watch the video to get a sense of Gov. Brown's confidence in Pres. Peevey. The video is best. He says that he has to go back all the way to his first term in the late 70s to find an equally effective leader for the PUC.

Oh, wait for the video to load, it takes a bit. It is right on top.
