Subject: A. 13-12-012: Post Workshop Follow-Up

To Service List for A.13-12-012:

On Wednesday July 30th SED hosted a workshop on its Preliminary Report for PG&E's Gas Transmission & Storage Proceeding. At the workshop, SED staff briefly presented some slides and we made a "parking lot" of issues discussed throughout the day. Those items, along with the workshop agenda and a copy of the Preliminary Report, are now available on the Risk Assessment Webpage. http://www.cpuc.ca.gov/PUC/safety/Risk_Assessment.htm

During the workshop, some participants indicated they would like to follow up with some informal feedback on SED's report. We recognize that timing is tight with testimony and other pending deadlines in other proceedings. If you wish to supplement any comments made during the workshop, please email them to me (and CC parties on the service list) by Wednesday, August 6th at 5PM.

If you have any other questions, please let me know.

Michael

Michael Colvin

Interim Supervisor, Risk Assessment Section, Safety and Enforcement Division

California Public Utilities Commission

(415) 355-5484
