Application 13-12-012  
(Filed December 19, 2013)

**MOTION OF UNITED ENERGY TRADING, LLC REQUESTING PARTY STATUS**

**I. INTRODUCTION**

Pursuant to CPUC Rules of Practice and Procedure Rules 1.4(a)(4) and 1.4(b), United Energy Trading, LLC (UET), respectfully files this Motion Requesting Party Status in Application 13-12-012.

**II. DISCUSSION**

UET is a fully-integrated natural gas and crude oil marketing organization. In California, UET does business as Blue Spruce Energy Services, a certified core transport agent (CTA) that has served residential and commercial customers since 2010. UET serves approximately 67,000 customers in the PG&E service area.

As one of the largest CTAs in California and as the largest CTA in the PG&E service area, UET has a vested interest in participating in the Application proposing Cost of Service and Rates for Gas Transmission and Storage Services. The result of the Application proceeding will directly impact the costs undertaken by UET to operate in the PG&E service area.

UET seeks to participate in this Application proceeding in order to provide the Commission with relevant information in regards to CTA operations in California and how the Application may affect CTAs and their customers. With operations nationwide, UET can provide information gleaned from extensive experience in similar proceedings nationally.

### III. SERVICE

Service of notices, orders, and other communications and correspondence in the proceeding should be directed to UET at the addresses below:

### IV. CONCLUSION

UET will not expand the scope of issues being considered in this proceeding, nor seek to modify the procedural schedule. UET respectfully requests that the Commission grant this Motion Requesting Party Status and designate UET as an interested Party to Application 13-12-012.

Respectfully submitted,
