Subject: Changes cooperation

Brian, I am concerned to hear about Casey's McFall's statement that PG&E has not ben cooperating with the Changes program. I fully support Changes and that's why we made sure it is funded in the CARE/ESAP PD we'll consider today. I look forward to hearing about PG&E cooperation with Changes, CBOs who work with Changes, and the clients. Amy and I will follow-up. Thanks, Commissioner Sandoval
