Pursuant to Rule 13.8(c) of the California Public Utilities Commission's (the "Commission") Rules of Practice and Procedure, Opower, Inc. ("Opower") respectfully submits this motion to offer prepared testimony into evidence ("Motion"). Opower hereby moves to have the Prepared Testimony of Matt O'Keefe served on May 6, 2014 received into the evidence in this proceeding.

On May 6, 2014, Opower served its Prepared Direct Testimony to the R.13-09-011 Service List in response to the issues laid out by the Commission in the Scoping Memo Addressing Phase Three of the Order Instituting Rulemaking to Enhance the Role of Demand Response in Meeting the State's Resource Planning Needs and Operational Requirements. Opower was not called as a witness by any party for the evidentiary hearings held on June 9 or June 12, 2014 hearings, but did attend the workshop held on June 10, 2014.

Accordingly, pursuant to the Scoping Memo, the assigned Administrative Law Judge Hymes's August 13, 2014 email, and Rule 13.8(c) of the Commission's Rules of Practice and Procedure, Opower moves that the Commission receive the following prepared testimony into evidence in this proceeding:

1. OPI-01, entitled "Prepared Direct Testimony of Matthew O'Keefe".

The exhibit above has been served concurrently with this motion to both Administrative Law Judge Hymes and the service list.
