Subject: R.12-11-005 (CSI/DG): CSE Advice Letter 50-A

Attention R.12-11-005 Service List:

On behalf of the Center for Sustainable Energy (CSE), attached please find CSE Advice Letter 50-A, a supplemental advice filing to provide additional clarification regarding proposed amendments to the California Solar Initiative (CSI) Program Handbook to better align CSI Program Eligibility Requirements with NEM Aggregation pursuant to a Utility NEM tariff.

Due to the size of Attachment A, the Redline CSI Program Handbook illustrating proposed revisions, rather than providing a hard copy of the document, we instead provide notice that Attachment A may be viewed at: http://energycenter.org/sites/default/files/docs/nav/policy/proposed/NEMA-2014-05-CSI_Handbook-track-changes.pdf.

Email service has been split into 17 groups of 35 or fewer recipients to prevent rejection by email spam filters.

Hard copies have been sent via overnight delivery service to the Energy Division Tariff Unit, and mailed via First Class Mail to Energy Division Director Edward Randolph, ALJ Katherine MacDonald, ALJ Jessica T. Hecht, ALJ Regina DeAngelis, and those members of the Service List without e-mail addresses or undeliverable e-mail addresses.

If you have any problems with the transmission of this document, please feel free to contact me.

Regards,

Sephra

Please note that CSE does not maintain the official service list for R.12-11-005.
