Subject: RE: Yurok Update - Need to Reschedule

No problem. Thanks for your work to move this project forward.
Bill & I are planning a follow-up meeting with the Yurok around Oct. 12-14 in conjunction with the North Coast Broadband meeting in Arcata @ Humboldt State Oct. 13. We'd like to have a meeting & call before then with PGE & where the Yurok can call in. If you can join us Oct. 14 would be a good time for all of us to visit and consult with the Yurok to help make the next phase of the electric project smooth. Thanks

Subject: Yurok Update - Need to Reschedule

Catherine – we are going to need to reschedule the meeting we have tomorrow on your calendar regarding the Yurok update. Quite frankly, the material we have prepared and our inability to get the right people to attend are the reason for the need to reschedule the meeting. I don't want to waste your time by having a meeting that doesn't answer the questions you are looking to have answered. I take full accountability for the rescheduling and will try to get back on your calendar in a few weeks. My apologies again.
