In that 2 week period, Sept. 15-17th would be preferred. Week of Sept. 21 is not good.

Molly,

I will be in touch with you and Mary Jo soon with some proposed dates. Taking a quick look at calendars, the weeks of September 14 and 21 look fairly open for the PG&E team.

Meredith,

It is time to schedule a PG&E Quarterly Transmission meeting. I forget who usually helps us set it up. Can you please forward to whomever is the right person?

Thanks,

Molly
