Subject: Napa issues

I left you a voicemail that I need to provide a brief write up to Denise T. Tonight for a meeting first thing tomorrow morning. I need electric and gas info. I'm hoping I can get something tonight. Here's part of the email.

.... give a brief de-brief on your experience from the Napa Earthquake and the utilities' response? I'm thinking just a few minute summary on the major issues that were tackled by PG&E and the railroads.....

Have a blessed and SAFE day :-)
