I don't land until 7:30 pm so no rush by 7 pm. When I get home I have to get my kids dinner too. So I won't work on it until around 9 pm or so. If you want to put your kids to bed first I can wait. No worries, take care and thanks, Maria

Have a blessed and SAFE day :-)

Maria,

Will do. I will send you something by 7:00 and then we can discuss whether you need more information. I'm on my way to pick up my daughter at 6 but will work on it as soon as I get home.

Thanks,  
Meredith

I left you a voicemail that I need to provide a brief write up to Denise T. Tonight for a meeting first thing tomorrow morning. I need electric and gas info. I'm hoping I can get something tonight. Here's part of the email.

.... give a brief de-brief on your experience from the Napa Earthquake and the utilities' response? I'm thinking just a few minute summary on the major issues that were tackled by PG&E and the railroads.....

Have a blessed and SAFE day :-)
