Functional Exercise Ground Rules Observers

Purpose:

To gain knowledge of how SoCalGas responds to a large scale emergency event.

Role:

To observe exercise conduct, capabilities and exercise processes.

Do:

- Feel free to move through the various situation rooms.
- Assure that you stand or sit in an area that does not interfere with regular exercise play.

Do Not:

- Actively participate in exercise play.
- Engage participants with questions. This may divert them from accomplishing desired objectives and outcomes.
- Insert or inject information into the exercise. The messages given to the participants are carefully choreographed with desired responses.
