Subject:  RE: Transitions at PG&E

Paul

Peter Kenny unfortunately is NOT available tomorrow (nor was he available today), so let's try to get a time a couple weeks out when we can connect. If you could give me a couple dates we'll make it work.

Who are you meeting with tomorrow?

Thanks again,

Laura

**Subject:** RE: Transitions at PG&E

Laura,

As it turns out, I'll be at PG&E today (6111 Bollinger Canyon Rd.) between 11:30am and 1pm for a meeting.  If Mr. Kenney happens to have time today between 1-2pm, this would be a good time to have a short meeting.

Otherwise, tomorrow is the only other day that I'll be available in the next couple of weeks.  I'm meeting with PG&E and Exponent tomorrow between 9am-12pm related to this whistleblower complaint, so it would need to be in the early afternoon.

I know this is short notice, but please let me know if this works out with Mr. Kenny's schedule.

Thank you,

Paul Penney

Paul

Sean Kolassa, VP of Gas T&D Construction, just left PG&E to take on increased responsibilities at another company. We are sad he has gone but happy for his opportunity.

With Sean's departure, Peter Kenny, Director of T&D General Construction, will be the PG&E lead going forward on the whistleblower issue you are investigating.

I thought it might be good to have a meeting at your convenience to let you know where we are and to introduce you to Peter.

Let me know if this might work for you in the next week or so and we'll get it set up.

Thanks,

Laura
