Hi Laura – Next week would be the best option if it can wait until then. Monday 9/15 or Tuesday 9/16 are both wide open on my outlook.

Ken

Just tried to call your office and the call seemed to get automatically cut off.

Sumeet would like to give you an update on the results of work underway on Line 401, and I wondered if your schedule might permit a call Thursday, Friday, or next week? You likely recall previous discussions about sections of the line in Burney and Shingletown that may be operating one class out, and our intent to submit an application to the Commission.

Let me know if you have any time; probably 15 minutes would do it.

Thanks

Laura
