Subject: RE: Diablo diesel information

Hi Lisa,

Please see the attached documents request for the DCPD Unit 2 capscrew incident. Email submittal is preferred.

Sincerely,

Jon

Hello Jon,

Following up on your earlier email and voicemail. Yes, DCPD Unit 2 is back online. The station has initiated two root cause evaluations, one on the hardware problem and a second on the organizational performance. It will most likely be a couple weeks before either of the root cause evaluations are complete.

I will keep you posted as I know more.

Kind Regards,

Redacted
