Charlotte,

Yes. It will probably be late Monday morning, but I will send it in advance.

Erik,

Thanks for letting me know. Can you send the document(s) electronically Monday morning? We do plan to have one or two people connecting from our Los Angeles office, and they should have a copy of the documents before the meeting, at least.

The meeting will be in Room 7431 at the SED offices, 455 Golden Gate Avenue.

Thanks again,

Charlotte

Charlotte,

We are still working on our presentation for Monday's 1pm meeting regarding the Kern OII. As a result, I don't have any documents to share with you today. The following individuals will be attending for PG&E:

Redacted

Mike Meko, Director, Supply Chain

Bill Manheim, Law

Jon Maring, Senior Director, New Generation Construction

Erik Jacobson, Director, Regulatory Relations

Where are we meeting? 505 VanNess?

We look forward to seeing you Monday.

Thanks,

Erik
